Our pathologists, are board certified in anatomic and clinical pathology, with subspecialty boards in dermatopathology, cytopathology, and hematopathology. All personnel responsible for specimen testing are certified by ACHA, and many have dual licensure with the American Society of Clinical Pathologists or other national accrediting services.

Please call Sarasota Memorial Laboratory Services Customer Service at 941-917-1350 (option 5) or toll free at 866-747-0395 (option 5) to speak to a pathologist or technical staff.
